

Schedule of Events Remaining for 2021

James Events

September 17 Wild Life Feed	Great response to event, OCMA will be partially closed to accommodate overflow parking. The Rotary Wing area will be closed for the day and protective fencing in place. Fixed wing runway will remain open.
September 25, Mud Run	Event may require OCMA field for parking. This will likely be a full field closure to accommodate parking.
October 10 Orange County Triathlon	Event is a 40K ride on Santiago Canyon and turns around at Haul Rd. Typically riders enter Haul Rd, turn right at the "Y". Parks will have their gate open and riders will take that freshly surfaced road south. This will generate considerable bicycle traffic at the entrance. Be prepared to stop and wait to enter during the event.
November 6, 7 Event on hold	This weekend is currently scheduled, but the event is currently on hold. Potential Event – impact on OCMA is unknown at this time but OCMA will accommodate James Events.
November 13, Men's Christian Conference	Oak Canyon park, little oaks parking is expected to accommodate. Event is not expected to impact OCMA flight operations.
November 20, 21 Terrain Run	Impact to airfield is unknown at this time. Last terrain run only generated additional traffic on Haul Rd. More info as event date nears.
December 4 Kiddie Mud Run	impact on OCMA is unknown at this time. OCMA will accommodate James Events. more info as date nears.
