

Hello everyone!

You have all recently received your AMA renewals with attached ballot at the bottom of the page. With the current AMA election for Executive Vice President the position of District Vice President is open. This being a position I would like to hold at some point I have been encouraged to take the opportunity now to ask that you write my name in as the "write in" candidate. I am not sure how many members may have already sent in their ballots but if any have not yet mailed I would like to ask that I be put in as the write in candidate.

While I remain fully committed to OCMA and continuing to make it the best flying field in southern California, I want to take this unique opportunity to try and bring the District 10 VP position to OC.

Below is a picture of how to fill out the ballot that may be beneficial if included in an email to the membership.

Many thanks,
Greg
